

Measuring Guide

Bracelets/ Bangles

Please print the following page and follow the instructions stated below.

A gentle reminder to print the entire page as its original A4 size for the most accurate result.

You are also welcomed to visit our shop and our team will be happy to take your measurements for you.

2 Bracelets/ Bangles

1. Use a scissor to cut out the measuring guide.
2. Create a horizontal slit at the bottom according to the guideline and feed the sharp, top part into the slit.
3. Wrap the measuring guide around your hand that you plan to wear your bracelet.
4. Pull until the measuring guide touches your wrist comfortably.
5. Read the number labeled on the measuring guide.
6. Convert the wrist measuring you got into the inner diameter of your bracelet with the following conversion table.
7. You can also use a measuring tape if you prefer.

Wrist measuring	Bracelet Inner Diameter (cm)
16	5.4 X 4.5
17	5.6 X 4.7
18	5.8 X 4.9
19	6.0 X 5.0
20	6.2 X 5.2
21	6.4 X 5.4
22	6.6 X 5.5
