

Measuring Guide

Necklaces

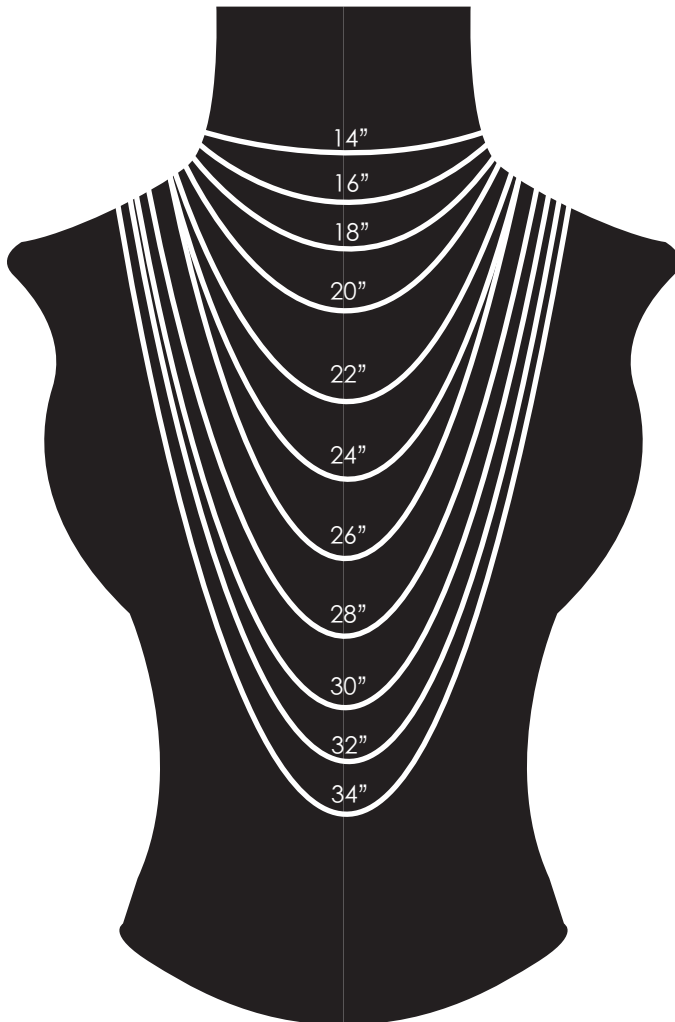

Please print the following page and follow the instructions stated below.

A gentle reminder to print the entire page as its original A4 size for the most accurate result.

You are also welcomed to visit our shop and our team will be happy to take your measurements for you.

3 Necklaces

1. Use a measuring tape to measure the desired length of your necklace.
2. Use the following image as a guide and make sure your measuring tape lays flat to your body.
3. Most of our pendant necklaces can be customized to your desired length. However, if your chosen necklace is a set collection necklace, alteration will have to be evaluated by our professional team first.
